MR MALLORCA GOLF

Beginner’s Guide to Playing Golf in Mallorca

Start with course access, then choose a layout and length that suit your group. An approachable layout does not remove a club’s handicap or certificate rules.

Palma Pitch & Putt

Pollença

9 holes, par 35; green fees €65 to €75. M 36 / W 36; a valid handicap certificate is required.

Course-data review: 16 October 2026. Prices are planning indications, not quotes. Variable rates change by date and demand. Nine-hole courses are marked. Palma Pitch & Putt has nine holes; its listed fees cover 18 holes and vary by weekday. Member-only and hotel-only prices are not public visitor rates. Confirm access and exact prices before booking.

Before the round

Confirm the course’s access rules, rental equipment, dress code and check-in time. Bring golf shoes, balls, tees, water, a hat and sun protection. Repair pitch marks, keep up with the group ahead, and let the club know if you are new to the game.

A first day with me

My coaching takes place on the course through Play With A Pro. We choose the course around your game. Send me your experience level, dates and where you are staying before deciding on a format.
