What to Bring

Golf gear: clubs (rent EUR 30-40), shoes, balls, tees. Clothing: hat, sunscreen, light layers, trousers or shorts, collared shirt. Accessories: water bottle, snacks, towel, phone. Optional: golf glove, notebook for scores.

What to Expect on the Day

Most Mallorca courses expect standard golf etiquette: arrive early, repair pitch marks, keep pace, and respect dress codes. If you are renting clubs or a buggy, confirm this at booking stage.

Beginner-friendly Mallorca rounds are best when you choose a forgiving course, play the right tee, and do not over-schedule the day. A calmer setup nearly always leads to a better first experience.
