Prices are planning indications, not quotes. Variable rates change by date and demand. An asterisk marks date-variable rates. Nine-hole courses are marked. Palma Pitch & Putt has nine holes; its listed fees cover 18 holes and vary by weekday. Member-only and hotel-only prices are not public visitor rates. Confirm access and exact prices before booking.

Start with your handicap, where you are staying and how much driving you want. A short course can suit an arrival afternoon; a full 18-hole round needs more time. The handicap checker separates courses you can book from those that need a certificate or an enquiry.
